College Placements:

We are currently supporting 4 students who are on long-term 'T Level' courses in 'Education and Early Years'. 'T Level' courses last for two year and are equivalent to 3 'A Levels'. They are created in collaboration with employers and include a substantial industry placement. 'T Levels' support progression into skilled work and higher or degree level apprenticeships and higher level study, including university. We currently work with the following colleges:

- Newcastle College
- Stoke 6th Form College

University Placements:

At The Willows we welcome and support students who are embarking on their teaching careers, either through a Bachelor of Education or PGCE courses, from the following universities:

- Staffordshire University
- Keele University
- St Joseph's College SCITT
- Coventry University
