

Supporting High School Students

At The Willows we pride ourselves on the support we can offer placement requests.

High School Work Experience Placements:

We have many requests from former pupils who choose to complete their Y10 work experience at The Willows. We have also supported high school students with placements to gain experience for The Duke of Edinburgh's Award. The Willows currently support pupils from the following schools:

- Thistley Hough Academy
- St Joseph's Catholic Academy
- St John Fisher Catholic High School
- Trentham Academy
- Clayton Hall Academy
- JCB Academy
- Excel Academy
- Birches Head Academy
