We kicked off the month by taking the girls to St Teresa's to play a league game. The girls were fantastic winning 5-2. Goals from Aoife, Ellie and Isla. A great game girls!

## March's results

We took the year 5 and 6 indoor sportshall athletics team to the County Finals. They were amazing and worked really hard to come 2nd overall!

On #letgirlsplay day we took our girls to Ash Green to celebrate the day with other girls from our town schools. The girls played in mixed teams and had a brilliant time!

We took the year 4 indoor sportshall athletics team to the County Finals. They were all brilliant and came 3rd overall! A huge well done to everyone!

## March's results

The girls had their quarter final game for the Staffordshire Cup away at Walton Priory Middle School in Stone. It was a tough game finishing 3-3. We had 5 minutes extra time and it still remained 3-3 so that meant the dreaded penalties!!! The girls were amazing and really brave, Lois was fantastic in goal and we won on penalties 4-3 taking us

through the semi-finals!!! We missed Lizzie but she came and cheered us on on the sidelines on her crutches!

We took the boys to Discovery Academy for their final town tournament in their new fancy kits! They battled hard to come second overall out of 9 schools. A huge well done boys!

The boys and girls travelled to Ash Green for a friendly game for the boys and a league game for the girls. The girls lost 4-3 in the end. The boys won their game 3-2.

## March's results

We took the girls to Priory Academy for another league game. It was very windy but the girls battled hard winning 5-3 with a hat trick from Isla and 2 from Skye. We missed Aoife to an injury but she came and cheered us on!!

Next game for the girls is their semi-final for the Staffordshire Cup!!

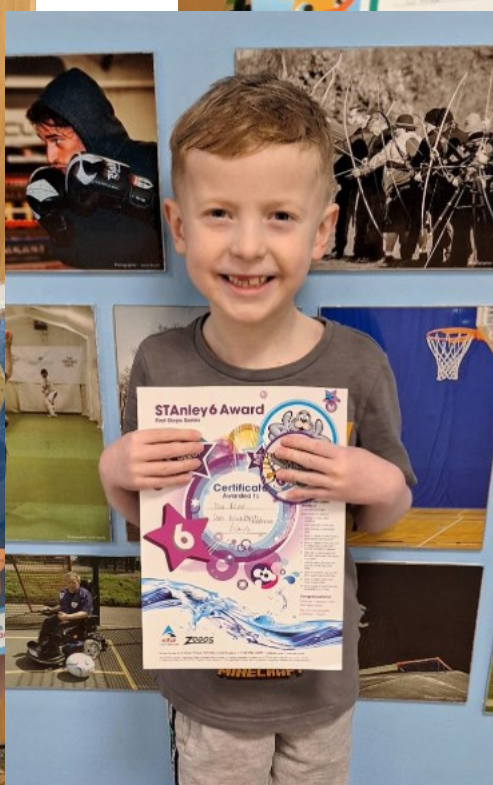

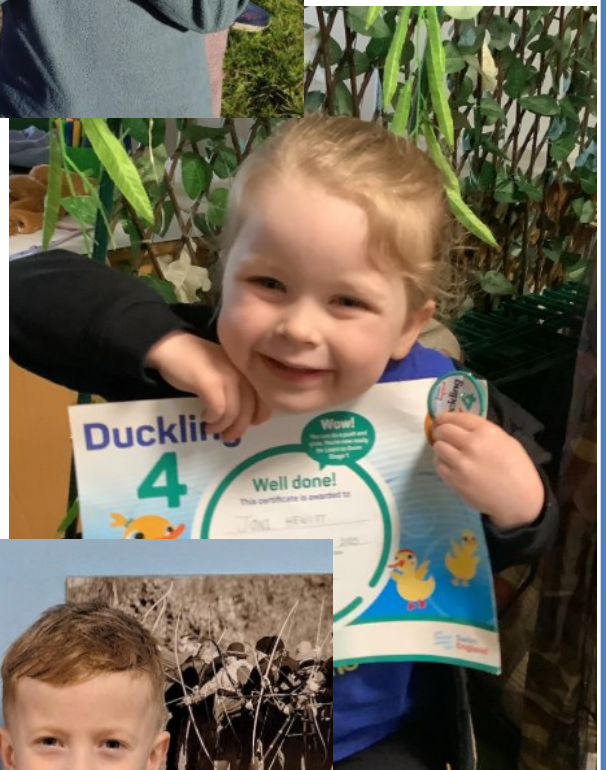

Our cross country team have been amazing over the four races that they have done. They have battled to try to beat their positions each week all displaying outstanding behaviour.

We finished our cross country races last week with Lizzie receiving a silver medal for coming 2nd overall girl from all of the Stoke schools.

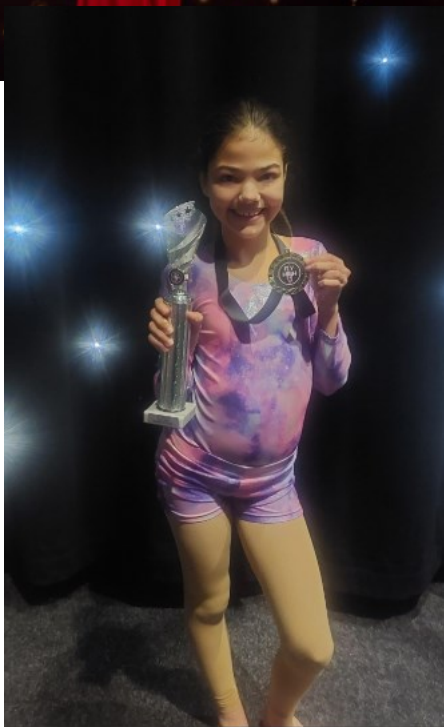

This week I am taking four children to be part of the Stoke Team at the City cross country race at Birches Head Academy. Good luck to Lizzie, Christos, Jude and Marleigh-Mae!
