# FAQ'S

## When will I know if I have a space on a session?

From the 11th of each month, providers will confirm on EEQU whether you have a place.

## What do 'family sessions' mean?

Brothers and sisters (**without** additional needs) and parents/carers can attend 'family activities' eg 'Family Fun Day'.

## How do I get a family ticket?

Select the 'sibling ticket' option for each sibling.
Also select 'over 18' ticket for each parent/carer.
If there's no option for sibling or over 18 ticket, then this isn't a family activity.

## What if I need to cancel?

That's fine! Please make your cancellations through EEQU as soon as possible. This helps us to give the place to someone else, even if this is last minute.

## What if I didn't book before 11th ?

It doesn't matter. Visit EEQU to see sessions still available.

## What if I need EEQU in another language?

Simply change your Google settings to translate the listings into another language should you require this.

## Still have a question?

If you have any questions, please feel free to contact the Aiming High email below:

Aiming.High@stoke.gov.uk

# BOOKING YOUR AIMING HIGH PLACE

eequ.org

## Create a log on for EEQU

When you make your first booking, fill in the personal details for your child(ren), siblings and yourself. Make this as detailed as possible, particularly about their individual needs. Providers will use this information to ensure they can cater for your child(ren) safely.

## Plan your session(s)

Look at what is available on EEQU. Check dates, times, where the sessions will be and SEND support on offer.
Contact providers through EEQU or direct if you have any questions.

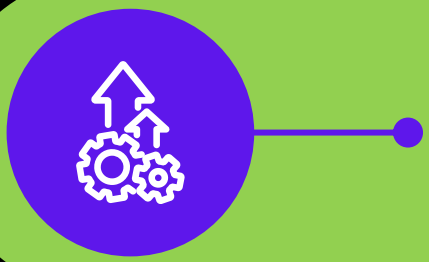

## Book your session(s)

Between 1st and 10th of each month, register your interest for sessions on EEQU.
Providers may ask for extra information or contact you to discuss individual needs.
After 15th of each month, book a third session if there are spaces.

## Confirmation

On 11th of the month, providers will let you know on EEQU whether you have a place on their session.

Enjoy your sessions!

# EEQU TIP OF THE MONTH

## Leave A Review For Providers

Mentors take on roles with big expectations. They must inspire, guide, counsel and referee. They are held to very high standards with modest pay.

We want to be able to find and work with great Mentors and to ensure this, we must uplift those who do this work. Gratitude, though simple, can reignite a teacher's passion. Just saying "thank you" could be the most important thing you do today.

At Eequ we call 'Reviews' - 'Reflections'. 💗

### PLEASE LEAVE A REFLECTION FOR YOUR MENTORS

Mentors value your comments very highly. Your reflections help them to reach other learners like you.

You will be able to give a reflection as soon as your first session booked on Eequ is finished.

EEQU refer to providers as ‘mentors’

eequ.org

# CAN'T ATTEND?

## Please Cancel Your Place On EEQU

Even if it's last minute, it helps us offer places to other families who may be happy to attend at short notice - even if it's on the day of the activity.

**In September, 61 booked places, almost 1 in every 5, were not attended without prior cancellation**, which meant:

- Children and young people on waiting lists missed opportunities to take part.
- Providers prepared staff, resources and equipment for places that went unused.
- Valuable activity spaces could not be offered to other families.

**Every cancellation helps**. By releasing your place through EEQU, you give another family the chance to attend and help providers plan sessions more effectively.

💙 Thank you for helping us make every Aiming High place count.

Please contact the Aiming High team if you need any support using EEQU.

Our aim is to protect and enhance wildlife and to promote understanding and enjoyment in the natural world through a series of fun and engaging activities for all ages across our nature reserves.

## This December, join us for a magical time at Christmas at Hem Heath Woods.

This December, we have two opportunities to join us for a festive outdoor adventure. One on a weekend and one at the start of the Xmas holidays.
From festive themed trails, natural Christmas crafts and the opportunity to toast a festive snack over the campfire.
Our regular wildplay activities will return including swinging in a hammock and den building with the ever-popular mud kitchen. The session is delivered by qualified Forest School leaders and will follow the child-led ethos of Forest Schools where young people will be able to decide what activity to do and when, at their own pace.

*"A child discovered a hole in a log which created a waterfall when he experimented with the water container."*

*A Staffordshire Wildlife parent/carer said:*
*'My children were able to entertain themselves in a safe environment. They enjoyed the clay and the mud kitchen.'*

# Diamond Families

Behind every small service is a big vision, a lot of hard work and people who care deeply about making a difference. But sometimes, even the biggest hearts need an extra pair of hands. 🤝

At Diamond Families, we know that it's often the little things that make the biggest difference and this autumn we are grateful to our community for helping to prepare are animal enclosures and children's play areas for the British winter 🥶 from …

🔨 A skilled volunteer fixing a fence.
🎨 A creative person bringing a new idea to life.
🪴 Someone helping to make our outdoor spaces more welcoming.
🐴 An extra pair of hands helping us maintain a safe, enriching environment for our animals and families.
💚 Someone giving their time, sharing their skills or simply showing up when they're needed we are totally grateful 💕

For a small service, these contributions can mean so much more than people realise. They help us protect our resources, create new opportunities, improve our spaces and, most importantly, spend more time doing what we're here to do: rehoming animals, supporting children, families and our community to improve their mental health, wellbeing and life chances 📖

You don't have to change the whole world to make a difference. You just have to make a difference where you are…. Come help us sparkle in exchange for tea, cake and community spirit ✨

That's what being a Diamond Families Community Champion is all about.

Whether you have practical skills, creative talents, professional experience or simply a willingness to help, there is a place for you.

👐 Could you spare a little time?
🛠️ Have a skill you'd love to share?
💡 Want to help a small local service achieve something big?
Over 14s only, children must be accompanied by an adult

**Come and be part of something meaningful. Together, we can build brighter futures one small act of kindness at a time.**
